should appear in the Directory and the Directory  
should be in Every Store.

Besides its use to the storekeeper, it is a convenience the customer looks for.  
The store that offers an old Directory, or no Directory at all, fails to show its patrons a courtesy  
they will find elsewhere.

Besides its use to the storekeeper, it is a convenience the customer looks for. The store that offers an old Directory, or no Directory at all, fails to show its patrons a courtesy they will find elsewhere.

**EVERY STORE**

should appear in the Directory and the Directory  
should be in Every Store.

Besides its use to the storekeeper, it is a convenience the customer looks for.  
The store that offers an old Directory, or no Directory at all, fails to show its patrons a courtesy  
they will find elsewhere.
